

## technical rider

### Equipment

#### Juc brings

- Windows-Laptop
- iPad
- MIDI-Controller
- Audio Interface: Behringer UMC 204 HD
- Microphone: Sennheiser e935 connecting to her audio interface
- Microphone stand
- In Ear-Monitoring connecting to her audio interface
- Power outlet
- All necessary cables for this setup (line out to FOH)

#### Juc needs

- A connection to the FOH
- A table at standing height (I can bring one but this will require renting a car)
- Sound Engineer
- Light/Visuals

### Backstage

#### Juc needs

- Vegan food (vegetarian is alright, too. Please no peppers)
- Herbal or fruit tea
- A stable Internet connection
